

### Authorship Declaration

I hereby confirm that the essay I have submitted for the essay competition organised by CSD, London and CLG, Thimphu on the theme, ‘**Developmental challenges in Bhutan and how to overcome them**’ is my own sole-authored work. I agree that my entry will be disqualified from the competition in case there is evidence of academic dishonesty, including but not limited to identity fraud, reproduction of others' work, unrecognised borrowing of existing work, or plagiarism.
